Hi Tom and Jim – Attached please find a Response to Comments concerning the December 2020 draft Operable Unit 2 Remedial Action Work Plan for the Ringwood Mines/Landfill site. Please note that the attached Response to Comments was prepared by de maximis, inc and RECON for the Ford Motor Company. Pat Seppi will be sending out an email with this document to all stakeholders this week. EPA and NJDEP will review the attached Response to Comments to determine its adequacy, and provide a response to de maximis by mid-April. Please feel free to contact me if you have any questions concerning this matter.
